

Lorna Stimpson

Director

CIC Board

Lorna's career in Public Service Building Control spans over 30 years where she has held roles from building control surveyor up to senior managerial positions. Lorna joined LABC in 2008 as Business Development Director, advancing to Deputy Managing Director in 2015 and Chief Executive in 2019.

As LABC's Chief Executive, Lorna leads the implementation of LABC's strategic programmes on quality, standards, competencies and learning, including accredited qualifications and informal continuous professional development programmes.

Lorna is a member of the Joint Regulators' Group working with MHCLG and HSE, National Fire Chiefs Council and the Local Government Association to define, pilot and test the new regulatory approaches outlined in Dame Judith's Final Report. She sits on the Building Regulations Advisory Committee (BRAC) and the Interim Industry Competence Committee; the BSI technical committee for competence in the built environment and other professional committees focussed on improving standards and outcomes in the construction industry.
